Litchfield Fair ~1858 ~ 2018

The Litchfield Agricultural Society was organized in 1857 and held its first exhibition the next year. In the early years Litchfield Fair was held in the yard of what was formally known as the Litchfield Town House. After a while the fair moved to the old "trotting park" which is now known as the Litchfield Fairgrounds.

In 1904 after a period in which the annual exhibits declined, it was reorganized as the Litchfield Farmers' Club, and that name continues to the present time. The Litchfield Fairgrounds currently consists of fifteen acres and nineteen buildings.

The annual Litchfield Fair is always held Friday, Saturday, and Sunday after Labor Day. This year the dates will be: September 7, 8, 9. It is estimated that approximately 17,000 now attend the fair each year. It's an agricultural fair.

There is an excellent Exhibition Hall, consisting of art and crafts, fancy work, flowers, fruits and vegetables, and cooked and canned foods. Also, there is a very large 4-H Exhibition Hall. Litchfield Fair has received statewide recognition for its superior Exhibition Hall and 4-H Exhibition Hall. In addition to that it features show oxen and steers, dairy cattle and beef cattle, horse pulling, ox pulling, a powder puff pull, a draft horse and pony show, and a **Maine Barrel Racers horse show**. Also, we're proud to say that Litchfield Fair has one of the best **Old MacDonald's Barn** and petting zoos in the state.

The Litchfield fair now features the third annual demolition derby and the very popular **Wheeler's Wee Farmers** an agricultural education display that was presented an award from MAAF. Other attractions include a two crusted apple pie contest, a baby show, a kiddie pedal tractor pull, pig scrambles, Mutton Bustin, an antique car parade, several bicycle give-aways for children, a red neck truck pull, a museum, a restaurant with home cooked food, and much more.

There are two areas for commercial exhibits, one is inside called Expo II, plus there is an outside area for commercial vendors. There is also an excellent midway put on by Miller Amusements.

~Dedication~

The 2018 Litchfield Fair Book is proudly dedicated to
Howard Campbell

Howard has been a member of the Litchfield Fair for 60 years. He was in charge of the Pig Scramble for many years. For several years he was in charge of the evening entertainment show.

He started the Anqitue Auto Show in 1969 which is still part of the annual fair. He instituted the setting up of the park outside of Expo #1. He is still active in the museum at the fair. We are grateful to Howard for all the years of service he has given to the Litchfield Fair.

Please join us in honoring Howard for his dedication and years of service to the fair.

Pulling

Superintendent Donald Ridley

Due to limited parking we will have a parking attendant available to assist you. You must see the parking attendant to be parked in an approved area. Failure to do so will result in your vehicle being towed.

There are no entry fees. Numbers shall be placed in a container according to the position the team weighed-in or entered. A disinterested person at ringside shall draw all numbers to determine the positions the team shall draw. Before a team is allowed to pull the owner shall provide a certificate of liability insurance in the amount of \$300,000.

Any animal which is thin and dehydrated, shows open sores, or is lame shall be disqualified. The Fair reserves the right to accept or reject any entry, to close or re-open any class, to set ahead or change the program if deemed necessary for the best interest of the Fair.

The ring will be maintained as well as possible by Fair personnel. A substantial barrier shall be maintained at the end of the ring toward which the pull is proceeding as to prevent or substantially impede runaways.

All teamsters who are to compete in contests shall have their teams ready at the published starting time. All classes shall close after the positions are drawn. Classes shall start as nearly as possible to the published time. No horse shall be entered or pulled twice in the same class. Splitting of teams is left up to the Superintendent. Teamsters may not be changed after the first load is pulled.

All pulling horses will be required to have a picture of the head of the horse being pulled and its name attached to the Coggins Test Paper.

Check weighing will be allowed prior to the official weigh-in. Official weigh-in will allow one weigh-in only by the same team. Team must have leather halters and shoes on. Even weight only. Nothing extra for shoes and halters. They will be weighed in the presence of a delegate appointed by the Fair or person who is conducting the contest. The scale shall be balanced with a man standing on same; this man will hold all animals where possible.

Time limits shall be five (5) minutes, unless otherwise agreed upon by the teamsters. The time limit to hook on in distance pulls shall be three (3) minutes. Time taken out to position the drag for the next pull shall not be counted. Time starts when the drag is moved. In the case of a tie on the longest distance, the second longest distances already pulled will take first place. Any number of helpers will be allowed to help hitch. After hitch, only one helper. The helper shall stay behind the drag unless needed to help the teamster with snarls and turns.

On oxen, the helper must stay behind the drag at all times after hitch-on. The helper shall not have a stick. Evener men must remain quiet after hitching on. There will be one

hundred (100) pounds of tolerance on draft steers and oxen on and after Labor Day weekend.

Measuring shall be in a straight line to the nearest point on the drag. Line to line measuring will be allowed. The front of the drag must touch the line before turning. To get the full line measure, the drag must be turned out more than (1/2) half way, or completely out over the line. Team shall stay hooked to the drag at all times. No unhitching and re-hitching is allowed. An actual separation, breaking, or bending of equipment shall constitute a breakdown. Any team breaking down can take the distance pulled or return to last position and pull over. (Only one (1) breakdown is allowed.) One (1) inch shall constitute a hitch.

On horses, the very light use of reins on hind quarters only, and no over and under will be allowed. No whips, brads, or goads will be allowed. Reins will not be doubled up. No electrical or electronic devices will be allowed. No open bridles will be allowed. On oxen, the use of a goad shall be very light. The goad will have no brad in it; only a plain yoke and chain or pole that may be pulled. All chains shall be covered to the hook. No plastic goads will be allowed. The goad stick must not be over four (4) feet long and must not exceed one half (1/2) inch in diameter on the small end. The goad stick may be taped but not weighted. The stick may be used lightly on the face to control the oxen, but not around the eyes. No heading of horses or oxen will be allowed, unless there is a mix-up, snarl, or breakdown. Stepping over the rail counts as a hitch.

Any team deliberately driven over the rail will be disqualified from the contest.

All participants will be properly dressed and use proper language at all times. Any participant under the influence of alcohol will be disqualified from the contest. Tests may be made to determine intoxication. Use of drugs or stimulants on any competing animal is prohibited. The Fair or Superintendent conducting the contest reserves the right to test any animal. The owner and teamster found to have used a drug on any competing animal shall be barred from pulling for two (2) years as required by Section 74, Subsection 4.

All rules and regulations of the State of Maine, and the Rules and Regulations on elimination contests of the Eastern Draft Horse Association shall govern all pulling events.

Litchfield Fair proudly presents the Litchfield Fair Museum

Supt. Rayna Leibowitz

This museum, opened in 2006, offers an opportunity to step back in time. The old time kitchen, complete with working wood stove, hand pump and ice box reminds us of the heart of the home.

Come to see the antique furnishings, hand tools and farm implements, discuss the old days and the old ways with us. Visit our dairy center and recognize the importance of agriculture then and now. We appreciate the donations of items from our friends and neighbors.

PIG SCRAMBLE

FUN FOR THE LITTLE ONES!

The Pig Scramble is for children 5 and 6 years of age. There are two divisions. All participants must have signed permission of parent or guardian. A child can participate in more than one pig scramble in their age division provided their name is drawn and they have not caught a pig in any previous pig scramble at Litchfield Fair this year. Only one pig per participant per year.

A dollar coin will be given to all participants who do not catch a pig. Entry blanks and permission slips must be filled out at the Information Booth at the front of the Exhibition Hall building. Scramble will be held in the Pulling Ring.

Entries close at 5:30 p.m. on Friday and Saturday, and at 2:30 p.m. on Sunday.

No provisions will be made by the Litchfield Farmer's Club to buy back pigs caught, so children should be prepared to raise the pig if they catch one.

Wheeler's Wee Farmers at the Litchfield Fair Interactive Agricultural Learning Center for Children

It is Litchfield Fair's constant objective to continue to support agriculture in our State, community, and with our children. We plan to do this through our Wheeler's Wee Farmers by showing children of all ages the origin of our foods, the hard work that goes into farming, and the great rewards that can be achieved with what we do. We would like to welcome all to participate with the gathering, sowing, and selling of the wares to be found in our Farmer's fields and barns. And of course, to enjoy the fruits of your labors at the end.

It is with appreciation and gratitude to the Alice Wheeler memorial fund of Lotta Rock Farm for making the Agricultural Learning Center possible.

She was a local dairy farmer and was a big supporter of our local fairs, Litchfield in particular. Alice enjoyed helping kids understand the importance and value of farming and promoting an agricultural way of life.

This event is held to promote good sportsmanship and provide a learning experience for all 4-H youth. Use of abusive language or abuse to animal could lead to removal from the show.

Required immunizations/records for all 4-H horse shows in Kennebec County 2014: 4-H'ers attending 4-H horse event must provide proof of current annual vaccination for rabies and current negative Coggins test. Attention 4-H Horse Show participants:

In an attempt to offer the safest possible 4-H show for both horse and rider, the Litchfield Fair officials are requiring all horse be stalled in the barn alongside the show ring. The safety of horse and rider as well as availability of parking (relating

Thank you for your flexibility to ensure a safe, fun-filled 4-H show at Litchfield Fair this season.

Taste:

The crust and filling are to be judged separately. In evaluating the crust, the judges will consider flavor, texture, and color. In evaluating the filling, the judges will consider flavor and consistency.

Preparation:

This is to be determined from the written or typed recipe that shall accompany each entry. The judges will consider ease of preparing the recipe and how clearly the recipe ingredients and instructions are written.

Scoring Guidelines:

The positions will be determined by the total number of points given by all the judges. In the event two or more contestants have identical point totals, the judges shall determine the order of finish by mutual agreement. All decisions shall be final.
